Firefly Lighting's Range of Landscape products make light work of illuminating various outdoor environments. We created this range to sustain Australia's extreme weather conditions so the product lasts well beyond its warranty period and leaves our customers with a smile from ear to ear. All our landscape products are IP rated, and come standard with anti-glare honeycombs and bevel cut hoods. Simply connect into existing 24V DC transformers, and you're good to go!

SPECIFICATIONS

Copper Wall / Step Light

SKU	LS-EL-CP
Application	Wall or Step Light
